BILL ANALYSIS

HJR 33
By: Perry

Committee on
Appropriations

BACKGROUND

Currently, many Texas communities have little or no fire protection available to them. This proposal, if adopted, would address the concerns of many local fire departments who face difficulty in obtaining funds for not only equipment purchases but for educational and training programs as well. HJR 33 would permit the state to create a fire emergency fund to grant or loan to eligible departments the necessary funds for these investments.

PURPOSE

To propose a constitutional amendment allowing the establishment of a fire department emergency fund and allowing the transfer of a portion of the amount collected from the gross premium taxes on fire insurance and allied lines to such a fund.

SYNOPSIS

Amends Art. III of the Texas Constitution by adding Sec. 51-a-1 to permit the legislature to establish a fire department emergency fund and provide for its funding and operation.

RULEMAKING AUTHORITY

It is the opinion of the committee that this bill delegates rulemaking authority to The Legislature in providing terms and conditions of awarding scholarships, grants, loans, and other financial assistance.

SUMMARY OF COMMITTEE ACTION

Pursuant to a suspension of the rules on the House Floor on 2/7/89 the committee met in a public hearing to take up and consider the measure.

Testifying AGAINST the measure were:

Sam Winters, Attorney, Austin, representing the Association of Fire & Casualty Companies.

Mike Hines, Legislative Director, Texas State Association of Fire Fighters

Testifying in FAVOR of the measure were:

Lee Murati, Fire Chief, San Elizario, TX representing the San Elizario Volunteer Fire Dept.

Dennis Borel, Controller, Austin, TX representing the State Firemen's & Fire Marshall's Association.

Ray Williamson, Groceryman, Wharton, TX representing FIRE-PAC.

Not testifying but registering in favor of the measure were:

David Cox, Executive Director, State Firemen's and Fire Marshall's Association, Austin, TX.

Gerald Matheaus, President, State Firemen's and Fire Marshall's Association, Austin, TX.

PAGE 2

The Chair referred the measure to a subcommittee consisting of Perry, Rudd, and Williamson.

The subcommittee met in a formal meeting to take up and consider the measure on March 28, 1989 and voted to report the bill favorably back to the full committee with the recommendation that it do pass by a vote of 3 ayes and 0 nays.

On March 29, 1989 the committee met in a formal meeting to consider the measure. On that day the committee voted to report the bill favorably back to the full House with the recommendation that it do pass and be printed. The motion carried on a record vote of 15 ayes, 3 nays and 5 absent.

FISCAL NOTE February 7, 1989

TO: Honorable Jim D. Rudd, Chair

In Re: House Joint
Resolution No. 33
By: Perry

FROM: Jim Oliver, Director

In response to your request for a Fiscal Note on House Joint Resolution No. 33 (proposing a constitutional amendment to create a fire department emergency fund and to authorize the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations in the state using money collected from gross premiums taxes on fire insurance) this office has determined the following:

The resolution proposes a constitutional amendment which, if adopted, would authorize the Legislature to establish a fire department emergency fund which would receive out of the General Revenue Fund a portion of the amount collected from gross premiums taxes on fire insurance and allied lines. The fund could receive a maximum of an amount equal to one percent of fire and allied lines insurance premiums collected each year. Money in the fund would be used to provide equipment and facilities to public fire-fighting organizations and to establish scholarships and grants to educate and train their members. The fund would also provide for the administrative costs of the program.

The probable fiscal implication of implementing the provisions of the resolution during each of the first five years following passage is estimated as follows:

<u>Fiscal Year</u>	<u>Probable Revenue Loss Out of the General Revenue Fund</u>	<u>Probable Revenue Gain to the Fire Department Emergency Fund</u>	<u>Probable Cost to the Fire Department Emergency Fund</u>	<u>Change in Number of State Employees from FY 1989</u>
1990	\$28,039,160	\$28,000,063	\$39,097	+ 1
1991	28,039,160	28,004,394	34,766	+ 1
1992	28,039,160	28,004,394	34,766	+ 1
1993	28,039,160	28,004,394	34,766	+ 1
1994	28,039,160	28,004,394	34,766	+ 1

The cost of publication of the resolution to the State is estimated to be \$60,000.

Similar annual fiscal implications would continue as long as the provisions of the resolution are in effect.
